This service provides a three digit phone number to connect people to essential services (transportation, housing, children and family services, etc.) countywide. This service operates 24-hours a day, 7 days a week. Council questioned if there was a request for financial support. Ms. Crook stated no specific amount of funding is being requested. The CICC is seeking a letter of endorsement at this time.

Public Works Director Vonasek brought forward for continued consideration an update of the new City seal. Council discussed and considered the different images for the seal. Council directed staff to bring forward a full size rendering of two images at the next regularly scheduled meeting.

City Attorney Einhorn stated the Resolution regarding the proposed sales tax increase was submitted to the County, now considered Measure "A." Mr. Einhorn stated Council will consider an information sheet that will be provided to the voters explaining the measure. The information sheet will typically be put into a mailer and will state what and how much the tax is, how much revenue is anticipated, and what the revenue would provide for. Mr. Einhorn requested Council to select two councilmembers to assist in developing the information sheet and the ballot argument. Mr. Einhorn stated groups or citizens could be asked to sign on to the argument as well. Councilmember Edwards suggested if Council decides to hold a town hall meeting regarding Measure A, it should be done just prior to the General Election. Mayor Roundy and Vice Mayor Hoffman volunteered to assist with the task. It was also discussed to consider having representation from the Orland Volunteer Fire Department on the measure.
