Mr. Thomas advised subsidized taxi service is not provided at this time. Councilmember Roundy advised in the past dial-a-ride helped meet a need for seniors and shut-ins. Chief of Police Carr advised a letter will be mailed to alarm owners notifying them of the new policy before enforcement takes place. It was noted other municipalities were surveyed regarding their fees and the City of Orland fee is in line with cities of their size. Patricia Saint-Evens stated the City of Chico has a substantially higher fee for false alarms. Mrs. Saint-Evens questioned if an alarm goes off for no apparent reason will a charge still occur. Chief of Police Carr stated the City would work with the alarm owner and alarm service provider to determine cause of alarm malfunction. ADMINISTRATIVE COMMUNICATIONS

Chief of Police:

Chief of Police Carr request Council to consider approval for a raffle for a K-9 fundraiser. The 35 Day Giveaway raffle would be for sporting shotguns, hunting rifles and hunting bows. The raffle could raise approximately \$30,000 - \$35,000 dollars. Sissons Shooters Supply would be handling the ordering, storing and licensing of all shotguns and rifles; this would relieve liability to the Orland Police Department. Chief of Police Carr addressed Councils concerns regarding proper controls and accountability for the large amount of monies involved.

Councilmember Gee moved, seconded by Councilmember Roundy to approve the raffle and allow the Orland Police Department to move forward with fundraising activity. Motion carried with no abstentions.

City Manager:

City Manager Poczobut request Council to consider assignment of Mercy Housing California (MHC) contract to NeighborWorks (NW) Sacramento. The Department of Housing and Community Development approved the transfer and assumption of contract Authority of Mercy Housing to NeighborWorks Sacramento since it is consistent with both Federal and State procurement requirements. David Wilkinson, Mercy Housing representative, advised the City can expect the same high level of service from NW as they have had with MHC. Mr. Wilkinson advised the fees will remain the same and will finish out the existing home contract. Councilmember Hoffman asked if there were any legal ramifications. Mr. Wilkinson advised with consent of the City it allows the Assignment and Assumption of Agreement. It was noted that if the City did not sign the contract, Mercy would have to request to dissolve contract and issue an RFP. Trish Saint-Evens asked if there is any correlation with the RHNA numbers. Mr. Wilkinson advised they do not. Grants Administrator Janet Wackerman advised the First Time Home Buyer Program (Down Payment Assistance) has been quite successful, more so, than the Housing Rehabilitation Program during these difficult economic times.
