Finance Director Brock presented Council with the proposed Budget for 2011-2012; discussion and possible action. Finance Director Brock advised projected General Fund revenues show an increase in sales tax by 8.5% and property taxes about 5% overall, based on information from Glenn County. Expenditures will also increase due to increased PERS costs for safety/miscellaneous employees and employee step increases. Finance Director Brock stated \$143,973 dollars in General Fund reserves is needed to balance the 2011-2012 budget. Mr. Brock noted the City has used very little reserves in the past couple of years and indicated amendments to the budget can be made later if necessary. Mr. Brock stated if reserves were not used, staff has no other fund resources, other than reducing staff or services. Vice Mayor Elliott stated the City should consider reviewing the Resolution regarding parameters for General Fund Reserve levels. Council requests to review the General Fund Reserves Resolution at the next regularly scheduled Council meeting before considering adoption of the proposed Budget for 2011-2012.

City Manager Poczobut presented Council with request from Medina Branzelle to consider a \$100 sponsorship for Operation Homefront: Back to School Brigade. Councilmember Gee felt it is a worthy cause but questioned whether it's a City taxpayer function. Councilmember Gee suggested private donations be given. Mayor Paschall had concerns it could be considered a gift of public funds. City Attorney Andrews stated it's a private organization that does not necessarily benefit the citizens of Orland (for the good of the order). Ms. Branzelle stated checks could be made payable to "Soldier's Angels".

City Manager Poczobut request Council discussion and decision on the City Attorney selection process. City Manager Poczobut suggested a Request for Proposals (RFP) could be prepared or notify local City Attorneys by letter. City Attorney Andrews recommended using the RFP process for a professional contract. City Attorney Andrews noted in a separate agreement, Mike Fitzpatrick is still considered Deputy City Attorney but will be retiring soon. City Attorney Andrews advised he would be willing to serve in an interim capacity if Council so desired, otherwise there are other attorneys he would recommend in that capacity too. City Attorney Andrews stated he wanted continuity to continue for the City. Councilmember Roundy suggested a window of opportunity to consider sharing County Counsel with the City. City Attorney Andrews advised that could be considered an inherent conflict. Council suggested having a selection committee. Staff was given direction to begin RFP process and agenda for the next regularly scheduled meeting discussion on interim City Attorney and litigation counsel.
