City Manager's Message

July 1, 2017

Looking Back...

Fiscal year 2017 ended June 30th with excellent ongoing municipal operations and many terrific accomplishments including:

- Approval by voters of Measure A, and purchase of a handsome 107' aerial ladder fire truck;
- All new infrastructure to improve the efficiency and lifespan of our wastewater treatment ponds;
- A new well adding 25% more capacity for our drinking water and firefighting systems;
- 28% reduction in water usage, and participation with Glenn County and water districts in formation of a new Sustainable Groundwater Management Agency;
- Energy efficiency projects for all City facilities; and
- Upgraded restrooms and picnic amenities for City Pool.

We became recognized as a "Bee City USA" and proclaimed Orland as "Queen Bee capital of North America."

Our library now features Broadband internet access and a 3D printer! 40 new homes are under construction. The surge in new business investment in Orland is exciting -- leading to more jobs, more shopping opportunities, more visitors, and in some cases additional tax revenue -- for fiscal year 2018, which starts today.

Looking Ahead...

The budget for the coming fiscal year presents Orland's spending plan. It conservatively estimates revenues, most of which are fairly stable.

Passage of the Measure A Public Safety Tax will begin to make a significant difference in our ability to fund fire, police and related equipment.

The budget funds essential services and many desired projects including:

- \$400,000 in new funds for fire dept equipment;
- Solar energy generation projects for most City facilities;
- Taking ownership of responsibility for maintenance of our police vehicle fleet;
- A new street sweeper and other equipment to enable Public Works to better serve you with water, sewer, parks and street services; and
- Support for the Orland Chamber of Commerce as it transforms into an exciting new service format.

The people of your City government look forward to continuing to serve the Orland community.
