ADMINISTRATIVE BUSINESS

**Verbal Update on Drought Conditions and Water Supply Project – Rebecca Pendergrass,
Assistant City Manager**

Assistant City Manager Rebecca Pendergrass provided an update on the water supply project, stating that City staff is meeting weekly with the State regarding the project. Currently the City is waiting for parts for the main valves to get started on the connections within City limits. Ms. Pendergrass mentioned that County residents are still coming into City Hall to get signed up on the waiting list for the water project.

Ms. Pendergrass stated the municipal wells continue to be stable, sufficient and they continue to be monitored weekly. Ms. Pendergrass shared that June Production was 67 million gallons, significantly lower than June 2013 which was 96.5 million gallons and down from 2021 which was 68 million gallons.

Ms. Pendergrass reminded Council that the City is in stage 2 of the City's 4-stage water conservation plan which started May 1, 2022. Ms. Pendergrass shared that customer, who go over the allotted 15,000 gallons will see the tiered rates on the next water bill going out in August. Ms. Pendergrass stated that residents were sent notification of the tiered system on the May water bill and can also find the information on the City's website.
