This map is intended to assist users in identifying the location of development activities and applications in the City. This map is not intended to be a definitive project locator or to convey specific details associated with actions. Additionally, this map may not reflect all projects pending with or occurring in the City. Please note that this map does not include ministerial projects to include individual houses, accessory dwelling units, building additions or modifications or sign permits.

For additional information on any project shown on this map, please contact the Planning Department at 530-865-1608 or via email at cityplanner@cityoforland.com.
